Specializing in Catering

OUR COMMITMENT

is to offer our guests the friendliest service, the best overall dining experience with quality product in a beautiful setting.

Back in 1974, my father David Lovi had a dream to open a Delicatessen. Forty years later our family has opened its newest restaurant, Lovi's Delicatessen.

Lovi's Delicatessen is an homage to the delicatessens that opened in New York in the latter part of the nineteenth century with a contemporary edge. While our menu has the traditional Jewish fare that one has come to expect when they hear the word "delicatessen", Lovi's Delicatessen also offers an eclectic array of other international and American cuisine.

Over three decades, guests from the San Fernando Valley to the Conejo Valley and beyond have enjoyed our delicious food and service.

We offer a full catering menu for any event and special occasion. You can pick up your order or we can deliver your platters right to your door.

Featured in our catering menu are some of our signature dishes, family recipes and guest favorites. But if you have something unique or special in mind, please let us know and we will make it for you.

We look forward to seeing you soon. We are always at your service.
